**Practice Times:**

All NECIS, ISST, Sportverein and After School Activities practice times will be posted by the first week of school. Please check our bulletin boards, sport offices and website for details.

**Sportverein/NECIS/ISST Teams:**

Members of ISD sports teams which participate in both Sportverein and NECIS competitions (soccer, basketball, Volleyball, rugby) are expected to commit to the entire season for both leagues. Playing in just the NECIS or Sportverein season alone will only be permitted under special circumstances. At ISD, student-athletes play for the team, including any and all competitions that team competes in.

**Registration:**

It is important that all students in our program are properly registered for their selected sport or activity. Failure to submit paperwork and make necessary payments on time could result in your child being ineligible for participation. As of 2013, all registration and payment takes place online only at [www.isdlions.de](http://www.isdlions.de)

**Payment Information:**

Payment options: online per credit card or account transfer

BIC: COBADEFFXXX (Swift Code)

\*Please note for which department, sport and team your payment is intended (Sportverein U-12 Basketball, NECIS Varsity Soccer, ASA)

**Coaches:**

Coaches names and contact information will be available by the first practices.

**Team Parent:**

All teams are highly encouraged to have a volunteer team parent who can assist with communication and certain tasks, for example: organizing drivers, uniforms, phone-list, housing, snack bar help, special events, etc. Your volunteer help will be asked for and is greatly appreciated.

**S.A.A.B.:**

The Student-Athlete Advisory Board is a group of senior school student representatives who act to promote sports and activities within the school and provide a communication link between their teams, sports, the student body and ISD staff.

**Adult Teams:**

We offer Sportverein men's basketball as well as open practice for co-ed adult soccer and volleyball. Please call our office for details.

**Team Sizes:**

Teams and groups will be limited in order to ensure quality participation (player-coach ratio) for all. Not all children will get a place in our teams and activity groups and team sizes within certain sports may vary.

**The ISD Lions Club - Volunteers:**

The high quality with which we attempt to run our programs can only be maintained with the help of our parent volunteers. We kindly ask for your continued support in this area and look forward to your contribution to the ISD Lions Club, our programs fund-raising and booster organization.

**Multiple-Sport Athletes:**

Being a multiple-sport athlete at ISD requires significant commitment and excellent time-management. Students who choose to participate in multiple sports, either NECIS/ISST, Sportverein or a combination of both, should consider the expectations that will be placed upon them before making this decision, since full dedication will be required for each team/group in which the child participates.

**Player Recognition:**

Both the International School of Düsseldorf and the ISD Sportverein e.V. recognize their student/athletes' achievements at various times throughout the year. Honors include: Participation medals or certificates, Coaches Awards, Most-Improved and Most-Valuable Players, Middle-School/High-School Athletes of the Year and Sportsmanship Awards.

**Changes/Cancellations:**

Any changes, cancellations and other important messages will be communicated via our sports website, the ISD intranet, the school's electronic message boards and personal e-mail. Please check these on a regular basis and note that some changes will come last-minute due to several unavoidable factors.

**Uniforms/Warm-Up Suits:**

The ISD Activities Program supplies uniforms to all Sportverein and NECIS/ISST team members. All apparel has the same ISD logo and design in order to reflect our unity and spirit. For more information regarding selection and prices, please contact or visit the ISD School Store.

**Sportsmanship and Behavior:**

Sportsmanship, mutual respect and supportive behavior are the cornerstones of our program's philosophy. This is expected not only of our student-athletes, but our parents, coaches, staff and entire ISD community as well. Please keep this in mind throughout the school year.
